A city tour through Wiesbaden takes on a particularly festive flavour during the Advent season with the Twinkling Star Christmas Market. Let our tour guides whisk you away to Christmassy Wiesbaden and discover culinary highlights. In a Wiesbaden wine bistro you can enjoy a wine tasting with a corresponding cheese fondue.

For another special experience, hike along a little mysterious path through orchards and along the edge of the forest to a panoramic trail with sweeping views of Wiesbaden's vineyards and the banks of the Rhine. Enjoy mulled wine, tea and tasty snacks while savouring the most charming views.
