Wiesbaden is known for its large number of owner-managed boutiques, jewellers and interior shops. We will take you and your friends to selected shops and you will receive exclusive advice and support. The shops will be selected by arrangement. Afterwards you can relax in the famous Café Blum with handmade cakes and tea and coffee specialities.

The Hotel Adina invites you to relax in its spa area. In the evening, the "Seven" bar on the seventh floor awaits you with a marvellous view of the city.
