## How to get there

### Wiesbaden's coordinates

Located in the heart of Europe and Germany, the state capital of Hesse is part of the vibrant FrankfurtRheinMain metropolitan region. Thanks to its extensive connections by road and rail, and its proximity to Frankfurt international airport, which is only 26 kilometres, or 16 miles, away, the city is easily accessible for international guests as well.

### Arrive by coach?

There are free parking spaces for coaches between the RheinMain CongressCenter and the main railway station. All year round, passengers can get on and off in Paulinenstraße near the Kurhaus.

### Going to use public transport?

The Wiesbaden Card Premium allows you to move comfortably through the city, either in a group or individually. Wiesbaden benefits from its central location, green spaces, and short travel distances, encouraging sustainable mobility. The Wiesbaden Congress & Marketing GmbH is working continuously to create an environmentally friendly travel destination and a resource-conserving conference location. Sustainability is more than just a trend for us – it is firmly anchored in our processes.

*Our advice: before you arrive, you can use the plazzy app to let yourself be inspired – wiesbaden.plazzy.travel*

## Sustainability

*For more information visit: [wicm.de/nachhaltigkeit](http://wicm.de/nachhaltigkeit)*

### What we have achieved

Our event venues such as the RheinMain CongressCenter and Kurhaus Wiesbaden have already been certified several times (e.g. with the Green Globe and ÖKOPROFIT quality labels). We focus on continuous further training, expanding our measures, and are committed to the "fairpflichtet" sustainability code.

By adopting the Diversity Charter, we commit to an appreciative and unprejudiced working environment. Corporate guidelines emphasising sustainability also provide us with guidance in our environmentally and socially responsible actions and in our dealings with our partners.

We have also been awarded a "TourCert" certification for the WIESBADEN RHEINGAU destination in 2024, and, together with a network of high-profile tourism service providers, are on our way to becoming a sustainable destination.

# Being in motion, relaxing, unwinding

*The forests, meadows, and rivers around Wiesbaden are ideal for walks and sporting activities. A quarter of Wiesbaden's urban area consists of woodland, and numerous parks such as the Kurpark, Henkell Park, and Biebrich palace gardens offer relaxation in the heart of the city. The Rhine with its riverside paths is also close by. The green surroundings and good air quality make Wiesbaden an ideal destination for business travellers, city breakers, and active holidaymakers. Take a deep breath and enjoy nature!*

## **Wiesbaden inspires you to move!!**

Lace up your running shoes and set off on a short run on the Rheingoldweg route in Schierstein, or explore the surrounding area as far as the Taunus and Wispertal. From the banks of the river Rhine in Biebrich, you can also discover the Rheinsteig®, a 320-kilometre "premium hiking trail" offering magnificent views.

## **Neroberg mountain railway – a relaxed ride to the top**

The Neroberg mountain railway has been taking visitors up Neroberg hill since 1888. As the only water ballast railway in Germany, it is truly unique. Once at the top, you can enjoy a marvellous view, and in summer, the Opelbad outdoor swimming pool invites you to take a refreshing dip. A must for every visit to Wiesbaden!

\* A ride up Neroberg hill is an ideal supporting programme for congresses or conferences, making your event in Wiesbaden unforgettable.

## **Wiesbaden in your ear**

Use your smartphone to go on an interactive adventure tour: scan the QR codes and discover Wiesbaden with audio and visual experiences!

## **Pleasant warmth – the thermal springs**

The 26 hot thermal springs have been a treat for body and soul for over 2,000 years. The Romans recognised their healing powers, turning Wiesbaden into a health resort. Treat yourself to some time out in the Kaiser-Friedrich-Therme spa or Aukammtal thermal bath.

# Celebrating, having a good time, enjoying

People like to go out and celebrate in Wiesbaden – whether in elegant venues such as the Kurhaus, the RMCC's modern meeting halls, or in the open air. Ranging from street festivals such as the Theatrium and the Taunus Street Festival to the Kranzplatz Festival and Schierstein Harbour Festival to the Rheingau Wine Festival in August, there are numerous highlights. At the end of the year, the Twinkling Star Christmas Market and Wiesbaden on Ice – the largest mobile ice rink in Germany in front of the Kurhaus – attract visitors. Wiesbaden has the right location for every event! [wiesbaden.de/veranstaltungen](http://wiesbaden.de/veranstaltungen)

## Rheingau Musik Festival

The Rheingau region is not only synonymous with wine but also with outstanding music. In the summer of 2025, the 38th Rheingau Music Festival, one of the largest music festivals in Europe, will be hosting over 150 concerts. From classical music to jazz and cabaret, there will be something for every taste. The special venues, including cultural monuments such as Eberbach Abbey, Schloss Johannisberg, Schloss Vollrads, wine estates, and Kurhaus Wiesbaden, make the festival a unique experience.

## Cultural Route 65

The United States have their Route 66 – Wiesbaden now has Route 65. This cultural route connects over 25 institutions, including Museum Wiesbaden, the Hessian State Theatre, and the Museum Reinhard Ernst showcasing abstract art. The Nassauischer Kunstverein centre for contemporary art, which presents up-and-coming artists, and cinemas such as the Caligari FilmBühne are also part of the route. Many other cultural venues offer a varied programme of exhibitions, theatre, comedy, and concerts.

# Discovering, adoring, finding out

Numerous famous artists have left their mark on Wiesbaden: Goethe, who enjoyed a stroll here, Dostoevsky, who gambled in the casino, Wagner, who worked on the "Master-Singers", and Jawlensky, who lived and painted in Wiesbaden. The city has long been a refuge for art and has become even more attractive when the Museum Reinhard Ernst, a new home for abstract art, opened in 2024. Highlights such as the International May Theatre Festival and the Rheingau Music Festival offer a diverse cultural programme, ranging from classical music to cabaret, and held in historical locations such as Eberbach Abbey and Schloss Johannisberg.

## Museum Reinhard Ernst

For lovers of abstract art, the Museum Reinhard Ernst is a must. Right in the centre of Wiesbaden, businessman Reinhard Ernst had a unique art space created to make his impressive collection accessible to the public. The modern building, affectionately referred to as the "sugar cube", was designed by Fumihiko Maki, the renowned Japanese architect, and is also an architectural highlight.

The arts and culture office puts on a varied programme in the stylishly restored Ufa film palace. # Rheingau as a place of strength – hiking, exploring, taking a deep breath

## Immerse yourself in the Rheingau way of life

The Rheingau is a place full of enjoyable experiences, characterised by excellent wines, regional delicacies, and unique cultivated landscapes. Near Mainz, the Rhine, Germany's largest river, changes its course to the west before turning north again between Bingen and Rudesheim, the gateway to the UNESCO World Heritage Site of the Upper Middle Rhine Valley. The sunny side of the Rhine turns out to be quaint, cosy, and dreamy. Castles, monasteries, and charming little towns bear witness to a rich history, while modern touches bring a breath of fresh air to the region, thus providing exciting contrasts. With its picturesque vineyards, the Rheingau invites you every day to discover and appreciate it.

## The sun is shining, the waves are gently rolling in ...

... and you are sitting in a deckchair with a glass of fine Riesling wine in your hand. The relaxed atmosphere and the laughter of happy people around you. Make yourself comfortable and leave everyday life behind ...

In the Rheingau, you can relax and enjoy wine in the modern beach bars or at one of the many traditional wine tasting stands – by the river Rhine or in the middle of the vineyards.

## Planning an event?

**Wiesbaden is that attractive MICE destination offering a feel-good atmosphere and the perfect infrastructure for both large congresses and exclusive events.**

When planning exciting events in Wiesbaden, we at Wiesbaden Congress & Marketing GmbH (WICM) are at your side as a strong partner offering all-in services and three of our own event venues.

We look forward to hearing from you!

 [convention.wiesbaden.de](http://convention.wiesbaden.de)

## Great on their own – unbeatable in combination

Our three unique event locations, situated at short distances from one another, offer a flexible and individual setting, and, when combined, will make your event a true experience.

### Combine our locations and benefit from our "multi-location discount"

- ◆ The RMCC for your congress and the Kurhaus or Jagdschloss Platte for your evening event?
- ◆ A corporate event at the Kurhaus and an incentive event at Jagdschloss Platte?
- ◆ A pre-event at the Kurhaus and a festival or trade fair at the RMCC?

Whatever your ideas, we can offer suitable venues for you.

# RheinMain CongressCenter (RMCC) – multifunctional, modern, sustainable

At 17,700 square metres, the RheinMain CongressCenter is Wiesbaden's largest congress and event centre, located just a few minutes' walk from the main railway station and radiating a unique feel-good atmosphere – and not just because of its architecture.

Two large halls and numerous multifunctional event rooms of various sizes offer maximum flexibility and the perfect, highly personalised setting for events of all kinds.

★ *Did you know that the large halls can be accessed by cars and trucks? Huge gates allow ground-level access to Halle Nord [North] and Süd [South] from several sides.*

## Ideal for events such as

- ◆ Congresses or trade fairs
- ◆ Exhibitions or conferences
- ◆ Conventions and large-scale events
- ◆ Digital and hybrid live events
- ◆ General meetings and symposia
- ◆ Vehicle presentations

★ *Did you know that the photovoltaic system on the roof of the RMCC is 1,250 square metres in size, comprises 768 modules, and has an output of 200 kWp? The system generates the energy needed for the heat pump to heat the floor surface while saving approx. 130 t of CO<sub>2</sub> emissions per year.*

## Kurhaus Wiesbaden – historical, majestic, central

The landmark with character and a distinctive design combines historical architecture with the most modern comforts. A popular meeting place in town, it makes events held there shine in special splendour. Eight function rooms and salons that can be rented are arranged around the heart of the building, the Friedrich-von-Thiersch-Saal, or Friedrich von Thiersch Hall, and the extraordinary, 21-metre high domed foyer. The north wing also houses the table games of the Spielbank Wiesbaden casino and a public restaurant.

*\* Did you know that the Spielbank Wiesbaden casino is one of the oldest in Germany? It is located in the former wine hall of the Kurhaus and can be booked for incentive events.*

### With Kurhaus Colonnade and outdoor areas

The Kurhaus Colonnade, built in 1827, is located next to the Kurhaus, which offers nine function rooms and salons, and, at 129 metres, is considered the longest columned hall in Europe. Three additional function rooms are available there for exclusive events. The outdoor areas in the adjacent Kurpark provide an ideal setting for outdoor events and receptions. The concert square with concert shell can be rented for up to 5,000 guests, for example.

*\* Well hidden, but super convenient: underneath the Bowling Green there is a two-storey underground car park with direct access to the Kurhaus.*

### Ideal for events such as

- ◆ Conventions and congresses
- ◆ Exhibitions and product presentations
- ◆ Concerts, galas, and evening events
- ◆ Award ceremonies, graduation ceremonies, and festive receptions
- ◆ Guest performances
- ◆ Employee events

## Jagdschloss Platte – exclusive, individual, adaptable

One of the most beautiful historical locations in the region. The Jagdschloss, a former hunting lodge, is rich in contrasts featuring special architecture: a panoramic viewing platform with a fabulous view over Wiesbaden and the Rhine Valley, plus the centrepiece of the building, a rotunda with a pair of stairs running in opposite directions.

*\* Did you know that on a clear day, you can see all the way from the Jagdschloss to the Donnersberg mountain? Wedding couples love the viewing platform under the glass roof for photo shoots.*

### Ideal for events such as

- ◆ Corporate events, Christmas get-togethers, and private functions
- ◆ Vehicle presentations, art and fashion exhibitions, smaller trade fairs
- ◆ Press conferences
- ◆ New Year's concert and special theme days
- ◆ Weddings

The Jagdschloss offers plenty of room for creativity and individual arrangements, both indoors and outdoors. The outdoor area includes a forecourt and a green space, which are ideal for receptions and summer parties.

Established partners of many years' standing are available for catering, technical equipment, fixtures and fittings as well as decorations. However, there is no commitment to an exclusive service provider.

*\* Free parking, incl. charging points for e-cars, directly in front of the venue and the "Wiesbaden Platte" bus stop is only 300 metres away.*
